(FOLLOW INSTRUCTIONS ON REVERSE SIDE)

Report the volume of gas taken from each gas well separately. Report the volume of gas taken from oil wells by meter station. All volumes shall be reported in MCF at 14.73 lbs. pressure.

INSTRUCTIONS

The addresses, as required on this report, shall be clear and definite as to Street Number, City and State.

Where gas is taken from an oil and/or gas well by the producer into a fuel or other gas system and used outside the basic lease said producer is required to make this report. In case gas is taken at the well by any person other than the producer then such person is required to make this report.

This report shall be filed on or before the last day of each calendar month and shall be complete as to data covering the calendar month next preceding the date of filing. It shall be filed with the Board of Oil and Gas Conservation at Helena.

Report the volume of gas taken from each gas well separately. Report the volume of gas taken from oil wells by meter station. All volumes shall be reported in MCF at 14.73 lbs. pressure.

If any space does not apply fill in the word "NONE."

Make a separate report for each field or pool.

Please use typewriter if possible.
